Mezahpole *Digital*

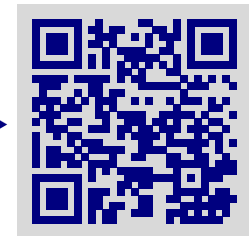

A double-sided, wide horizontal, digital display billboard.

Located alongside highways, its effectiveness is enhanced by the fact that this billboard can be seen even from long distances. The special thing about Mezahpole is that its rectangular shape gives the advertisers an opportunity for more creation.

Display Technology

10m x 5m 960px x 576px

Streach, Our third party OOH intelligence platform, is used to measure the population exposure to the different zones of MEZAHPOLE formats, over 2 weeks duration in Riyadh and Jeddah.
